---

## SUMMARY

Goal-oriented Web Developer with a background in Criminology as well as Law and a life-long dedication to learning. Identified and implemented a more effective company procedure for risk profiles and decreased amount of fraud alerts by 41%. Recently completed a six months Coding Bootcamp at University of Sydney, gained skills in CSS, JavaScript, React.js and Django. Known among colleagues for strong collaboration skills and attention to detail no matter the complexity of the project. Armed with a deep sense of responsibility and possessing high levels of enthusiasm to give my 110% for any endeavour.

---

## TECHNICAL SKILLS

HTML, CSS, JavaScript, jQuery, React, Node, Express, MySQL, MongoDB, Bootstrap, Firebase

---

## PROJECTS

### Food Hangman

JavaScript | CSS

[Live](#)

[Github](#)

Word Guess Game is a simple version of a hangman style game using JavaScript.

### Portfolio Page

JavaScript | CSS

[Live](#)

[Github](#)

A portfolio page to give a little more information about myself, showcase projects and provide my contact information.

### Expense.io

React | Express | MongoDB | JavaScript | CSS

[Live](#)

[Github](#)

An expense tracker that gives you the opportunity to enter your expenses using your expense categories and see how much you spent in each category.

---
